## Major Warning: Don't Be Deceived

By Elene Rodgers

Even when taken as directed, people may have a negative reaction to drugs; but one of the major reasons why prescription drugs require a prescription from a doctor is because these drugs are not considered to be very safe in that there is a narrow margin between the “effective dose” and the “toxic dose” and it is therefore easy to overdose. With this major safety concern, the extra step of going through the doctor and pharmacist was supposed to limit the free access of these drugs. However, with the increase in the use of telehealth, people are communicating with online doctors and are given prescriptions that can be delivered directly to their homes. Everything from opioids<sup>1</sup> to abortion pills<sup>2</sup> can be delivered to the patient's door. People are using these prescriptions without a comprehensive understanding of how these drugs can do more harm than good. With easier access to these prescription drugs, they will be taken more often with serious consequences.

For example, according to the article entitled Hydroxychloroquine Toxicity<sup>3</sup>, “there have been numerous reports of individual consumption of HCQ [Hydroxychloroquine] resulting in accidental overdose and even death.” The patient's complications are determined by the level of their toxicity: 1) Mild toxicity: Nausea, vomiting, and weakness; Hallucinations and psychosis 2) Severe toxicity: abnormalities can include: Decreased level of consciousness, delirium and/or seizures and 3) Life-threatening toxicity: Respiratory depression [shortness of breath], Several electrolyte abnormalities, and Cardiac dysrhythmias.

Even Ivermectin is a drug “isolated from the fermentation products of *Streptomyces avermitilis* [bacteria].”<sup>4</sup> According to the FDA, an adverse effect of Ivermectin is dyspnea<sup>4</sup> which is an intense tightening of the chest, difficulty breathing, or feeling of suffocation.

Many affected by these drugs may believe that it is their illness causing them to have trouble breathing or heart problems not realizing that it is actually the drug causing their sickness. These drugs can cause more harm than the disease they are trying to prevent or treat.

The Bible warns that all nations would be deceived by pharmerkeia's system of poisonous drugs. Revelation 18:23 says. “...for thy merchants were the great men of the earth; for by thy sorceries [use or administering of drugs - Thayer Definition for G5331] were all nations deceived.”

Drugs are easier to access now with telemedicine. In an attempt to prevent or treat disease, people take these drugs without realizing their harmful effects. The list of new drugs continues to increase on the market, but don't be deceived by them. God has given warning about these drugs and we should take heed to it, especially now.

## The Advent Missionary Command Magazine's Mission

There is a world perishing, in need of light. The mission of this magazine is to inspire you to arise and fulfill the commission given us by Jesus to go into all the world teaching and preaching the everlasting gospel. We must be lights for Christ.

The people are to be called to “behold the Lamb of God which taketh away the sins of the world” and accept His gift of salvation. God's law is to be upheld, the Seventh-day Sabbath is to be clearly presented before the people. Babylon is to be revealed and the people are to be called from it. This is the Three Angels' Message of Revelation 14 that unites with the Fourth Angels' message of Revelation 18.

This message must go to all the world. We hope this magazine encourages you to go forward giving this message, seeking to save the lost!

### Moving Forward

By Elijah M. Rodgers

It is amazing that the year has come and gone so quickly. It has been very busy. We praise the Lord for what He has done and is doing. The beginning of the year, we started the Blueprint Center of Medical Evangelists and began the Everlasting Gospel and Health Evangelists training. It has required a lot of time writing the lessons and recording. Those who have started the training have been greatly blessed. We are excited to give this opportunity for people to learn how to be effective gospel and health evangelist in these last days.

Another major project of 2021 was the organization of the Adventist Association for Global Evangelism (AAGE Network). This Association is made of health centers, ministries, educational institutions, businesses, and individual church members who have a wholehearted desire to proclaim the Seventh-day Adventist message to the world and work unitedly for the revival of the true medical and educational work in its fullness. You

can now find the AAGE Network at [AAGEnetwork.org](http://AAGEnetwork.org).

As a network, we work on various initiatives to further the mission. The first initiative that we started was the Loud Cry Sign Initiative. This is an ongoing initiative that has the goal of bringing the message of Revelation 14:6-12 in simple signs. The main sign for the initiative asked the question “Worship God or Babylon?” It also had a website under it where the people could read more concerning this topic and get Bible studies. The physical signs have been going out in various areas of the United States and on social media platforms as well. Also we are getting t-shirts with the same message. Updates and reports were given that over a thousand people had visited the web page the sign directed to.

Another major initiative that was started is the Medical Missionary Educational Initiative. This initiative has three main goals. The first is to encourage every member of the church to learn and do the medical missionary work. The second is to train physicians

and nurses in the medical missionary work then connect them to medical missionary health centers after they have completed training. The third is to help and support those that want to start medical missionary training in their local area.

Every member of the church is called to do the medical missionary work. Not all are called to be a physician or nurse, but all are called to take part in this work. They are to first practice it in their homes, then in their community and bring it even to their workplaces. Also, there is a great need for wholehearted medical missionaries that are prepared to work on the front-lines in various health centers around the world. This is the reason a heavy emphasis is placed on training physicians and nurses in the medical missionary work. Those that want to start training in their local area will be able to benefit from resources, materials, and advice they can receive from others that are doing this work.

It is very important for medical missionary educational ministries to come together and cooperate to further the medical missionary educational

work of the Seventh-day Adventist movement. If this is done a great amount of good will be done for the advancement of the medical missionary work.

Now you can find more information and details on the AAGE Network website. There you will be able to find a list of various participating educational organizations that offer medical missionary training. Options for online and in-person medical missionary training are given.

There is a great work to be done which will call for complete denial of self and a total consecration to God. A great work is to be done concerning the medical and educational work. "Thus saith the Lord: 'I will instruct the ignorant and anoint with heavenly eyesalve the eyes of many who are now in spiritual darkness. I will raise up agents who will carry out My will to prepare a people to stand before Me in the time of the end. In many places that before this ought to have been provided with sanitariums and schools, I will establish My institutions, and these institutions will become educational centers for

the training of workers.'" - Counsels on Health p. 227

This is being done now! God is reviving His medical and educational work! Institutions after the order of the blueprint are being established! But the reality is, these institutions can not be effective without wholehearted laborers. Jesus says in Matthew 9:37, "...The harvest truly is plenteous, but the labourers are few". This is why God is calling today for wholehearted individuals to be laborers for Him.

This is the Lord's work. Under His unfailing guidance you can do your part in advancing the Lord's work. Commit yourself to the work. Answer the call today and become a wholehearted laborer for Jesus Christ. Jesus wants you!

The AAGE Network is wholeheartedly committed to fulfilling the mission that

God has committed to His remnant church. If that is your mission too, I highly encourage you to join the AAGE.

We have created the AAGE Social Network which creates great networking capabilities between the AAGE members. It gives the opportunity to easily communicate, give updates, share resources, and encourage each other. A member directory is available on the network.

And again, you do not have to have a major ministry to join the AAGE. Individuals and families form a major part of the AAGE network. To join go to [AAGEnetwork.org](http://AAGEnetwork.org).

As we enter a new year, may we move forward with even greater energy, filled with the Holy Spirit, to finish the work!

## The Missionary Work

### Extent of the Work

By Ellen G. White

#### Co-workers With Christ

One who believes in Jesus Christ as a personal Saviour is to be a co-worker with Him, bound up with His heart of infinite love, cooperating with Him in works of self-denial and benevolence. He to whom Christ has revealed His pardoning grace will, in practicing the works of Christ, find himself linked up with Christ. God calls upon those for whom He has made such an infinite sacrifice, to take their position as laborers together with Him in developing the gracious operations of God's divine benevolence.

Christ has withdrawn Himself from the earth, but His followers are still left in the world. His church, consisting of those who love Him, are to give in word and action, in their unselfish love and benevolence, a representation of Christ's love. They are to be the means, by practicing self-denial and bearing the cross, of implanting the principle of love in the hearts of those who are unacquainted with the Saviour by experimental knowledge.

#### The Purpose of Churches

Upon all who believe, God has placed the burden of raising up churches, for the express purpose of educating men and women to use their entrusted capabilities for the benefit of the world, employing the means He has lent for His glory. He has made human beings His stewards. Gladly and generously they are to use the means in their possession for the advancement of righteousness and truth. They are to employ His entrusted talents in building up His work and enlarging His kingdom.

#### Ministers as Medical Missionaries

Our churches, large and small, are not to be treated in such a way that they will be helplessly dependent upon ministerial aid. The members are to be so established in the faith that they will have an intelligent knowledge of medical missionary work. They are to follow Christ's example, ministering to those around them. Faithfully they are to fulfill the vows made at their baptism, the vow that they will practice the lessons taught in the life of Christ. Through sanctification

of the truth as it is in Jesus they are to plant in hearts the living principles of saving faith. They are to work together to keep alive in the church the principles of self-denial and self-sacrifice, which Christ, His divinity clothed with humanity, followed in His medical missionary work. It is imparting the knowledge of Christ's love and tenderness that gives efficiency to missionary operations.

#### An Army of Workers

The Lord Jesus desires the members of His church to be an army of workers, laboring for Him according to their varied capabilities, and carrying out the principles of self-denial and self-sacrifice, preserving that love for God which drew them away from the world and which will draw them together, away from separate confederacies, from distant, detached parties. The work is to be one grand, harmonious whole in Christ Jesus. The faith that works by love and purifies the soul is the holy, uplifting, sanctifying agency which is to soften and subdue jarring human nature. The love of Christ is to constrain the believers, causing them to blend in harmonious action at the cross of Calvary. As they live the principles which separated them from the world, they will be bound to one another by the sacred cords of Christian love.

#### Work the Works of Christ

With grace in their hearts believers are to work the works of Christ, placing themselves, soul, body, and spirit, on His side, as His human hand, to impart His love to those who are out of the fold. Believers are to associate together in Christian fellowship, regarding one another as brothers and sisters in the Lord. They are to love one another as Christ loved them. They are to be lights for God, shining in the church and in the world, receiving grace for grace as they impart to others. Thus they are constantly kept in spiritual nearness to God. They reflect the image of Christ.

Sanctified love is diffusive, refusing to be bound by the home or the church. It seeks

to save perishing souls. Every heart that has felt the love of a sin-forgiving Saviour finds itself allied to every other Christian heart. True believers will unite with one another in working for souls ready to perish. Let not our ministers expend time and energy in laboring for those who know the truth. Let them instead seek for those outside the fold, and each should stimulate the other to earnest action in well-defined, sanctified efforts to save the poor souls who are perishing in their sins.

#### A Living Church

When our churches will fulfill the duty resting upon them, they will be living, working agencies for the Master. The manifestation of Christian love will fill the soul with a deeper, more earnest fervor to work for Him who gave His life to save the world. By being good and doing good Christ's followers expel selfishness from the soul. To them the most costly sacrifice seems too cheap to give. They see a large vineyard to be worked, and they realize that they must be prepared by divine grace to labor patiently, earnestly, in season and out of season, in a sphere which knows no boundaries. They obtain victory after victory, increasing in experience and efficiency, extending on all sides their earnest efforts to win souls for Christ. They use to the best advantage their increasing experience; their hearts are melted by the love of Christ.

#### Opportunities

All can labor for the salvation of those who are out of the ark of safety. When church members stand pledged to the service of God, pledged to do missionary work, when they take hold of the work unselfishly because they love the souls for whom Christ has died and are desirous of uniting with the great Medical Missionary, the Lord will come very near to them to instruct them. Life is full of opportunities for practical missionaries. Every man, woman, and child can sow each day the seeds of kind words and unselfish deeds. - Medical Ministry, page 315-317

Ellen White (1827- 1915) was one of the founders of the Seventh-day Adventist Church. Filled with the gift of prophecy, she wrote over 100,000 pages of warning, instruction, encouragement, and hope for the church. Her writings continue to inspire the church today.

# The Missionary Update

## Advancing in the Work

A lot has happened since the last missionary update. We have progressed with the Everlasting Gospel and Health Evangelist Training. It has been a blessing to many people.

We have also started the Adventist Association for Global Evangelism (AAGE Network). Together, we are working on various initiatives. Together, we are pressing forward to do what God has called his people to do concerning the medical and educational work. More details about this Network is in the editorial.

We have planted the strawberries for the 2022 strawberry season. We planted nearly 2,500 strawberry plants. That is over double from the nearly 1,000 strawberry plants we planted last year. When we planted in the field bareroot plants, for the first time, (bareroot plants are different than the plugs we planted last year) they did not look very good but they later revived! The Lord really blessed.

We have continued our monthly healthful cooking class and outreach at the local flea market. Many are receiving Bible filled literature. We pray that the Lord will move upon their hearts to read and study the truth for this time.

There is a lot more that is happening. We pray that as we continue to do the work together, we will be guided by the Holy Spirit. There is a lot more to be done. We pray that you will be decided to be a laborer for Christ today! - Elijah M. Rodgers

## The Blueprint Center of Medical Evangelists Appeal

We are excited to announce that the Blueprint Center of Medical Evangelists has begun with the Everlasting Gospel & Health Evangelist online training. The mission of the Blueprint Center of Medical Evangelists is to prepare people to effectively give the everlasting gospel to the world by combining the gospel with health.

Just think of the great blessing it would be if medical institutions and training centers were setup and worked in accordance to God's plans! Why have not health centers, that follow the blueprint, been established all over the world? Seeing this need, and understanding the mission and the call, we have decided to move forward with it in faith. We have started in faith and have begun the revival of the true educational and medical work.

The Everlasting Gospel & Health Evangelists online training is only the beginning, but it is our mission to establish institutions to revive the true medical and education work according to the blueprint. We cannot do it alone. We ask for your support and your prayers, as we go forward to fulfill that mission.

## Biblical Thought of the Month

### The Greatest Gift from the Greatest Giver

By Elene Rodgers

Ninevah was a wicked city. So wicked, that her wickedness had come up before the Lord: “Now the word of the Lord came unto Jonah the son of Amittai, saying, Arise, go to Nineveh, that great city, and cry against it; for their wickedness is come up before me.” (Jonah 1:1,2) In fact in Nahum 3:1, Nineveh was called a “bloody city, full of lies and robbery.” In Nahum 3:4 furthered the description of Nineveh as a city against God “because of the multitude of the whoredoms of the wellfavoured harlot, the mistress of witchcrafts that selleth nations through her whoredoms, and families through her witchcrafts.”

It was to this wicked city that Jonah was commissioned by God to go preach. But Jonah did not want to go to Ninevah. Jonah realized how wicked the people of Ninevah were and all the evil they were doing so he did not even want to preach to them. In fact, when the Lord said,

“Arise, go to Nineveh”, Jonah headed in the opposite direction towards Tarshish, contrary to the express will of God.

Jonah then goes to Joppa to buy a ticket for a boat headed to Tarshish and there was a storm - they draw straws and Jonah goes overboard. (Jonah chapter 1) But what does that have to do with the greatest gift? Everything!!! See, up to this point, Jonah did not understand salvation and how far God would go to SAVE people - even those who have gone in direct opposition to His expressed will. It was in the belly of a fish, at the bottom of the sea that Jonah began to really understand the precious gift of salvation. Jonah cried out to God who heard him.

Let's read Jonah's prayer in Jonah 2:1-10 “Then Jonah prayed unto the LORD his God out of the fish's belly, 2 And said, I cried by reason of mine affliction unto the LORD, and he heard me; out of the belly of hell cried I, and thou heardest my voice. 3 For thou hadst cast me into the deep, in the midst of the seas; and the floods compassed me about: all thy

billows and thy waves passed over me. 4 Then I said, I am cast out of thy sight; yet I will look again toward thy holy temple. 5 The waters compassed me about, even to the soul: the depth closed me round about, the weeds were wrapped about my head. 6 I went down to the bottoms of the mountains; the earth with her bars was about me for ever: yet hast thou brought up my life from corruption, O LORD my God. 7 When my soul fainted within me I remembered the LORD: and my prayer came in unto thee, into thine holy temple. 8 They that observe lying vanities forsake their own mercy. 9 But I will sacrifice unto thee with the voice of thanksgiving; I will pay that that I have vowed. Salvation is of the LORD. 10 And the LORD spake unto the fish, and it vomited out Jonah upon the dry land. “

Jonah learned what the Psalmist says in Psalms 3:8 that salvation belongs unto the Lord. Salvation is the Greatest Gift from the Greatest Giver. Matthew 1:21 says “Thou shalt call His name Jesus; for He shall save his people from their sins. Matthew 18:11 says, “The Son of Man is not come to destroy men's lives, but to

save.” Acts 4:12 says “Neither is there salvation in any other, for there is none other name whereby we must be saved. 1 Timothy 1:15 clearly tells us the mission of Jesus, “Jesus Christ is come into the world to save sinners.”

Jonah realized the depth of God’s salvation when he hit the bottom. With the water compassed about him and the depth closed around him, Jonah realized that even now God could save him (though he was still learning about God’s offer of salvation to others). When his soul fainted within him, he remembered the Lord and began to pray.

Jonah repented of his disobedience to God - not going to Ninevah when asked to go. This is revealed by what Jonah did when he was asked to go again. Jonah 2:10 says, “And the LORD spake unto the fish, and it vomited out Jonah upon the dry land.” This time when God told Jonah to go to Ninevah, Jonah 3:3 says “so Jonah arose and went to Ninevah.” Jonah was so thankful that he was saved out of the belly of the fish that he immediately obeyed God.

Jonah believed in God and said in Jonah 2:8 that those who do not believe in God but believe in “lying vanities forsake their own mercy.” Jonah repented of his sin, received forgiveness, and obeyed God.

This is basically the same process that the people of Ninevah did in order to be saved. Jonah preached. The people of Ninevah learned of God and believed in God and as a result repented of their sins. Then they fasted and prayed and put on sackcloth. The people of Ninevah realized the depth of their sin. In Jonah 3:8 the King says, “let them turn every one from his evil way.” Jonah 3:10 says, “And God saw their works, that they turned from their evil way.” God forgave them and they were saved.

In reference to Jonah, Jesus during his earthly mission was asked a question to show a sign or a miracle proving His divinity. Matthew 12:38-41 says “Then

certain of the scribes and of the Pharisees answered, saying, Master, we would see a sign from thee. But he answered and said unto them, An evil and adulterous generation seeketh after a sign; and there shall no sign be given to it, but the sign of the prophet Jonas: For as Jonas was three days and three nights in the whale’s belly; so shall the Son of man be three days and three nights in the heart of the earth. The men of Nineveh shall rise in judgment with this generation, and shall condemn it: because they repented at the preaching of Jonas; and, behold, a greater than Jonas is here.”

The people of Ninevah represented the worst of the worse sinners of their time. When Jesus Christ died on the cross to offer salvation to all, He was saying that even the vilest offenders are offered

salvation just like the Ninevites. If they come to Him as they are, God will work in them “both to will and to do of His good pleasure”. (Philippians 2:13) As a sign to reveal His divinity, Jesus gave the sign of true repentance using the people of Ninevah as an example. Only God can transform the vilest criminal into one who truly loves and obeys Him.

As God gave the people of Ninevah the opportunity to be saved, He still gives the call to ALL. God stretches out His loving arms to you...no matter where you are or what you’ve done, even if you have reached the bottom... God hears, He forgives, He saves. Will you accept this gift? THE GREATEST GIFT!!! Jesus came to give us the greatest gift of all – salvation. The greatest gift from the greatest Giver!

## Healthful Living

### Benefits of Pineapple

By Carlene Rodgers

Pineapple is a very delicious fruit that bursts with flavor. But after you read this health article on the benefits of pineapple, it should increase your delight for pineapple. I will cover some of the benefits as there are many more!

Pineapple contains an amazing compound of enzymes called bromelain. The stem and the middle core of the pineapple is packed with bromelain. To get the most benefits from your pineapple do not take out the middle core. This is where a lot of bromelain is stored. Make sure you use a fresh pineapple, not canned pineapple, for the amazing benefits. Bromelain is good for a lot of health conditions. Let's review some research:

#### Stunts Cancer Growth

The expression p53 is known as the "guardian of the genome" because it checks for DNA damage and if there is damage, p53 gets it fixed and if it is not fixable it has it destroyed. If p53 is defective the damaged cell would just keep replicating resulting in cancer.

"Bromelain selectively induces apoptosis in cancer cells by upregulating the expression of p53, and the mitochondrial apoptotic pathway is triggered by increased Bax expression and discharge of cytochrome c." - [www.ncbi.nlm.nih.gov/pmc/articles/PMC8534447/](https://www.ncbi.nlm.nih.gov/pmc/articles/PMC8534447/) *Bromelain, a Group of Pineapple Proteolytic Complex Enzymes (Ananas comosus) and Their Possible Therapeutic and Clinical Effects. A Summary*

"Bromelain has frequently been shown to have anticancer effects by many researchers". -ibid

Bromelain was even found to be more

effective than 5-Fluorouracil, a common chemotherapy drug used for cancer patients. "In these studies, intraperitoneal administration of bromelain after 24 h of tumor cell inoculation promoted tumor regression. 5-Fluorouracil (5-FU) is a drug used to treat cancers of the breast, colon, stomach, rectum, and pancreas. Therefore, it is interesting to note that the antitumor interaction of stem bromelain was found to be greater than that of 5-FU; compared to untreated patients, their survival index was around 263 percent." -ibid. Bromelain, found in the stem of pineapple, is perfectly safe but 5-Fluorouracil is found to cause cardiotoxicity and sudden death.

#### Inhibits SARS-CoV-2

Bromelain has also been researched to inhibit SARS-CoV-2 infection. "For the first time, our results demonstrate that bromelain can inhibit SARS-CoV-2 infection by targeting all three host ACE-2 and TMPRSS2, and SARS-CoV-2 S-proteins. Also, studies have shown that bromelain can be used to treat patients with pain and inflammation, and is well absorbed and remains biologically active. Therefore, either bromelain or bromelain rich pineapple stem could be used as an antiviral for treating COVID-19 and future outbreaks of other coronaviruses." - <https://www.ncbi.nlm.nih.gov/pmc/articles/PMC7523097/>

#### Treats Cardiovascular Diseases

"Bromelain has been effective in the treatment of CVDs (Cardiovascular diseases) as it is an inhibitor of blood platelet aggregation, thus minimizing the risk of arterial thrombosis and embolism." - <https://www.ncbi.nlm.nih.gov/pmc/articles/PMC3529416/> *Properties and Therapeutic Application of Bromelain: A Review*

#### Excellent Remedy for Pain

"Bromelain acts as a strong pain reliever in this role and has a significant impact on certain pain messengers, such as bradykinin, which promotes smooth muscle contraction and blood vessel dilation.

Given that bromelain significantly decreased pain and stiffness in patients with osteoarthritis, it may be considered a risk-free alternative." - [www.ncbi.nlm.nih.gov/pmc/articles/PMC8534447/](https://www.ncbi.nlm.nih.gov/pmc/articles/PMC8534447/) *Bromelain, a Group of Pineapple Proteolytic Complex Enzymes (Ananas comosus) and Their Possible Therapeutic and Clinical Effects. ## Are You Ready?

### Are You Ready For No Buying or Selling?

By Cary Rodgers

We are living on a cliff of a series of great crises that will usher in the mark of the beast crisis. During the mark of the beast crisis the Holy Spirit will pour out the “Latter Rain” on the faithful remnant people of God to give the message of the everlasting gospel of Jesus Christ and the last urgent message to “come out of Babylon My people.” This message will have a powerful effect that will go around the world.

The remnant who give the loud cry message will be accused and mocked. Satan who has all out war against the remnant sees the affect of the everlasting gospel and will do all in his power to try to stop the message. He empowers the three beasts of Revelation 13, the beast, papal Rome; the lamb-like beast with two horns, USA; and image of the beast, apostate Protestants. They as a united group will impose sanctions to try to take away all earthy support of all who refuse to bow to the beast, his image, and its mark by prohibiting them to buy or sell.

Revelation 13:16-17 says, “16 And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: 17

And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.”

What are we to do now in order to be prepared for no buying or selling? Do you need to make sure you have a variety of seeds sealed and stashed away? If you wear glasses do you need to make sure you have some extra pairs? Do you need to be totally off the grid with solar panels and a water source? Do you need to get your potbelly, wood-burning stove so you can still cook and have heat? Do you need to get a washing board to wash clothes and a clothes line to hang them so they can dry? Do you need to make sure you have a magnify glass or flint so you can make fires? What about an emergency first aid kit with plenty of bandages and band aids? What about a sewing kit to sew up holes and deep cuts if needed? What about about storing 500 gallons of gas for your car and diesel for your tractor? What about several cans of charcoal? What about 1000 quart jars of a variety of canned veggies and fruit? What about stocking up on salt and other seasonings because you don't want to eat flavorless food? Mabye 500 pounds of beans, flour, and oats. What about building a big shelter and seller in the ground to store a lot of these things? Don't forget all your tools, shovels, holes, rakes, and axes. What about stocking up on shoes, underwear, clothes, towels, and wash cloths? Oh don't forget to get

about five hundred bars of soap and 200 gallons of dish soap. I almost forgot one of the most important things, make sure you get five thousand rolls of toilet paper!

If you got all these things and were fully stocked with adequate storage would you be ready and prepared when you can neither buy nor sell? No. When you think about it, hoarding in preparation for the time when you cannot buy or sell is really selfish. The main focus is on self and your temporal needs. It is a major distraction from fulfilling the work of giving the loud cry message. You can put more time in getting stuff for yourself than fulfilling the everlasting gospel commission.

“The Lord has shown me repeatedly that it is contrary to the Bible to make any provision for our temporal wants in the time of trouble. I saw that if the saints had food laid up by them or in the field in the time of trouble, when sword, famine, and pestilence are in the land, it would be taken from them by violent hands, and strangers would reap their fields.

Then will be the time for us to trust wholly in God, and He will sustain us. I saw that our bread and water will be sure at that time, and that we shall not lack or suffer hunger, for God is able to spread a table for us in the wilderness. If necessary He would send ravens to feed us, as He did to feed Elijah, or rain manna from heaven, as He did for the Israelites.”

(Ellen White, Early Writings, p.56).

Instead of being fully stocked with stuff we must make sure that our souls are afflicted and fully stocked with the Holy Ghost. We must make sure that we are doing the work of evangelism and the true medical missionary work now and during the mark of the beast crisis in order to be ready for the time when we cannot buy or sell.

We must have a faith in God that totally depends on Him for all our needs and strong enough to endure until the end. Jesus says in Matthew 6:31-33, “31 Therefore take no thought, saying, What shall we eat? or, What shall we drink? or, Wherewithal shall we be clothed? 32 (For after all these things do the Gentiles seek:) for your heavenly Father knoweth that ye have need of all these things. 33 But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.”

This is God’s promise and command for His faithful. This applies now in order to be prepared for the crisis to come. If we are not doing this now it is no way that we can be ready for the time of which we cannot buy or sell.

Psalms 37:25 says, “25 I have been young, and now am old; yet have I not seen the righteous forsaken, nor his seed begging bread.” Amen. God’s remnant people will not be on the streets begging at the point of starvation during the time in which we cannot buy or sell. God will provide for all of our temporal needs only if we operate spiritually in faith.

Think about it. God provided manna and water daily for 40 years in the wilderness during the Israelite journey from Egypt to Canaan. God sent ravens to feed Elijah when he ran from Jezebel who wanted to kill him. In Zarephath God continued to multiply the last small serving of meal and oil through the rest of the famine Israel for Elijah, a woman, and her son. (1 Kings 17) If we have faith in God, the same will happen to us during the time

when you cannot buy or sell. God will take one drop of oil and make it gallons. He can take a few kernels of wheat and make several loaves of bread.

How much food did Jesus need to feed five thousand men, not including women and children? Including women and children it could have been at least 15,000 to 20,000 people present, all hungry. Jesus fed all those people with just five loaves and two fishes! Jesus can take a little or nothing and make it much but we must have faith.

We have nothing to fear or worry. We must believe in faith that God will provide our needs despite being prohibited to buy or sell.

Now and during the mark of the beast crisis ALL of God’s faithful saints will be active in evangelism and the medical missionary work. If you are not prepared spiritually and educated in true evangelism and the medical missionary work, now is the time. In other words, what you are doing or not doing NOW for the gospel will determine your preparation for the time in which you cannot buy or sell. Those who are INACTIVE NOW and lack faith will compromise in the time of crisis. God is not impressed with spectators and hoarders but active workers for Him.

All those who are patient, obedient to the commandments of God, and possess the faith of Jesus will have the Father’s character to make it through end-time crises. (Revelation 14:12). We also will be sealed with the seal of the living God in our foreheads. (Revelation 14:1)

Even though God does not give us instructions on hoarding for the final

crisis, He does give us counsel to move from the crowded cities to the country before the mark of the beast crisis. We must evangelize the cities but not live in them.

Ellen White says, “The Lord desires His people to move into the country, where they can settle on the land, and raise their own fruit and vegetables, and where their children can be brought in direct contact with the works of God in nature. Take your families away from the cities, is my message.” (Ellen White, Selected Messages, Vol. 2 p. 357). She adds, “Again and again the Lord has instructed that our people are to take their families away from the cities, into the country, where they can raise their own provisions, for in the future the problem of buying and selling will be a very serious one. We should now begin to heed the instruction given us over and over again: Get out of the cities into rural districts, where the houses are not crowded closely together, and where you will be free from the interference of enemies.” (p. 141)

The challenges giving the Loud Cry message during the mark of the beast crisis and the time in which you cannot buy or sell will not require you to stock pile a bunch of stuff, but to be fully stocked with the Holy Spirit and have patience, obey all God’s commandments, and a preserving faith in Jesus Christ. Amen.

I personally encourage you to join the AAGE Network in which God’s last day churches, ministries, and members are working together as one on different initiatives to share the everlasting gospel. ## Reviewing The Past

### The College of Medical Evangelist

By Elijah M. Rodgers

In 1901 Ellen White had vision of a place in which the Lord would use to establish a medical center which was to be used for the training of many medical evangelist. This burden was laid upon her heart and she called for a sanitarium to be established in southern California. A search was made by a man named John A. Burden and in 1905 a beautiful health resort was purchased in Loma Linda, California.

After the Loma Linda property had been purchased they began to work. The first payment was made in May of 1905, by August 26, 1905 the sanitarium had been incorporated, and by October 13, it began to see its first patients. But Ellen White had made it very clear that this school was not only to be a health center, but a training school for medical evangelist. It was to be a school where the Word of God was the center of education. "We want a school of the highest order,—a school where the word of God will be regarded as essential, and where obedience to its teachings will be taught." - Loma Linda Messages, page 4. Evangelism was its purpose. That is why the School was named the College of Medical Evangelist.

Ellen White called for "Bible workers and missionary nurses" to be trained "for efficient service." - Loma Linda Messages, page 388. This nurse training was intended to train not just the regular "bedside" nurses but "missionary nurses".

In December of 1905 the new school accepted its first nursing students. Evangelism was a major part of the their training and many evangelism efforts were done and many health lectures were given in the surrounding areas. Their work proved very effective and beneficial for all that came in contact with them. But, Ellen White also made it clear that they were not only to train missionary nurses, but also physicians. "In regard to the school I would say: Make it especially strong in the education of nurses and physicians. In medical missionary schools many

workers are to be qualified with the ability of physicians to labor as medical missionary evangelists." - Medical Ministry, p. 58.5

Well by 1908 they had three courses in action which was the Evangelistic-Medical, Collegiate Nurses, and Gospel Workers. The Evangelistic-Medical course was designed to give more advanced medical training to the students.

As time moved on it became clear that we were to have our own medical college with the appropriate facilities to fully train physicians in the medical evangelistic work. Around this time John Burden began to look at starting a course that would enable the students to practice as missionary physicians. A special preparation in accordance with our faith was to be made which would prepare the physicians to be loyal to God and true to mankind. They were to serve humanity in the very way Christ did while on earth, not for the purpose of gain, but to offer hope to hopeless, health to the feeble, life to the dying.

These physicians were also to be fully qualified by law. They were to be prepared to "...intelligently fit themselves to be able to stand the examinations essential to prove their efficiency as physicians." Loma Linda Messages, page 18.4

Words of warning were also given. "We want none of that kind of 'higher education' that will put us in a position where the credit must be given, not to the Lord God of Israel, but to the god of Ekron." *ibid.* p. 14. Our institutions of health were to be completely separate from that of the world, and dependent wholly on God.

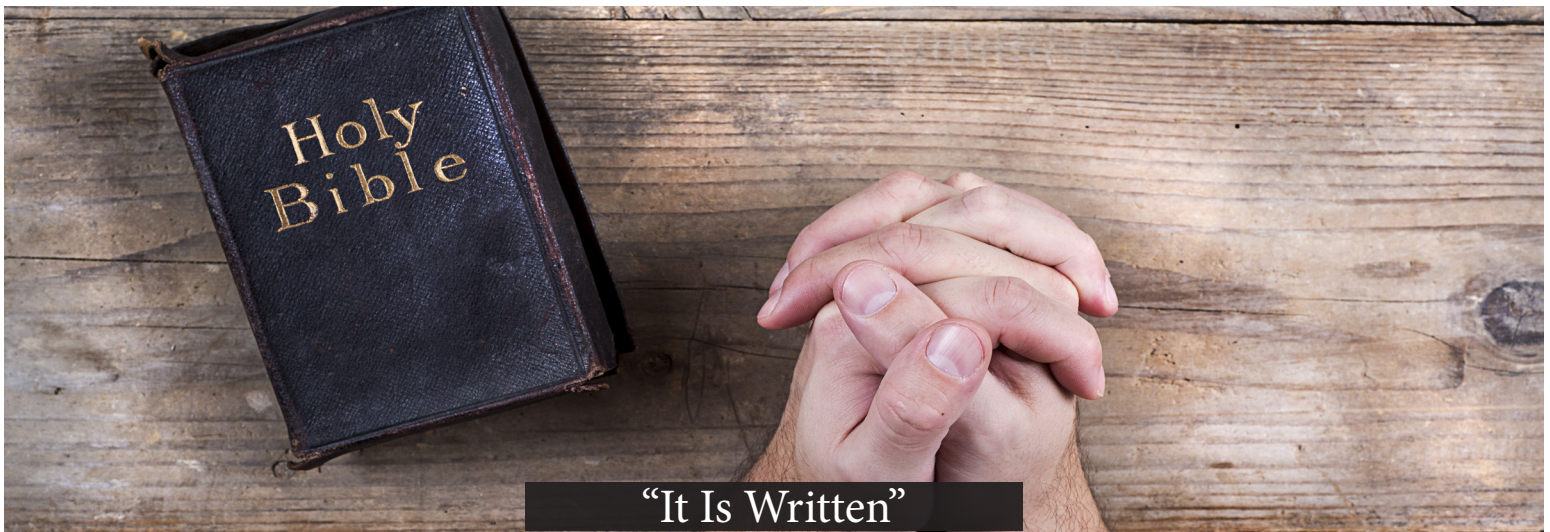

As Burden was searching he found that the state of California required a fully accredited medical school to conform to the requirements of the Association of American Medical Colleges (AAMC). That was not what Burden was looking for, knowing that the requirements of the AAMC were not fully in line with the medical evangelistic focused physician training that he wanted at the College of Medical Evangelists. But, the doors quickly began to open.

Not long after, Burden requested from the state of California a charter to grant medical degrees. On December 9, 1909 the state issued a charter which said that they could grant "the honors and degrees of Bachelor of Arts, Bachelor of Science, Doctor of Medicine [M.D.], Doctor of Surgery, and Doctor of Dental Surgery [D.D.S.], and in testimony thereof to give suitable diplomas under the corporate seal."—Charter of the College of Evangelists, 1909. That was exactly what Burden was looking for and in 1910, a small class of students began the medical course!

Burden constantly reminded the students that "...the College of Medical Evangelists was established to provide a superior method of education and a superior method of practice for nurses and physicians, and that our legal recognition was to be for a superior order, unique and separate from the 'regular' training and recognition of the world's medical fraternities." —Owen S. Parrett, M.D., Recollection of experiences at Loma Linda in 1909.

The medical course and facilities quickly advanced. The work at the College of Medical Evangelist even got the attention of one of the nations top medical inspector, Dr. Colwell. He came to the school out of interest and talked to Burden. "From that day Dr. Colwell became a friend of the College of Medical Evangelists, with all the stigma of its name. He understood its purposes, appreciated its objective, and did all he could from year to year to give it advanced rating."—John Burden, letter to Dr. E.H. Risley, June 3, 1929

God was preparing the way for them to obtain a special recognition. Their work had already gotten the attention of the nations top medical inspector! But sadly, many did not understand what God was doing for them and pressed for worldly accreditation. The pressure began to mount to get the school accredited which process some began in 1911. Not long after they became accredited by the AAMC, worldly methods began to pressure the school. Slowly over time worldly influences became stronger in the school and the wall of distinction that marked our method from the world was torn down. Today God is calling us to return to the blueprint!

## “It Is Written”

### Repentance

By Nehemiah Rodgers

Many people when convicted of sin ask the question, “What shall we do?” Acts 2:37,38 says, “Now when they heard this, they were pricked in their heart, and said unto Peter and to the rest of the apostles, Men and brethren, what shall we do? 38 Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost.” Peter was giving the same message that Jesus gave. Matthew 4:17 says, “From that time Jesus began to preach, and to say, Repent: for the kingdom of heaven is at hand.”

To repent means to think differently.

Repentance includes sorrow for sin and a turning away from it. In our sinful nature we do not see sin as sin. We will not stop sinning unless we see its sinfulness. Until we turn away from sin in heart, there will be no real change in the life.

Repentance is important for life. If you have not repented you will not be saved! To repent, we must go to God! Acts 3:19 says, “Repent ye therefore, and be converted, that your sins may be blotted out, when the times of refreshing shall come from the presence of the Lord”

There are many who do not understand true repentance. They are sad because of what will happen to them. but not for the sin. This is not repentance in the Bible. Such was the grief of Esau when he saw that the birthright was lost forever. But there was no repentance for sin. Judas after betraying Jesus said, “I have sinned in that I have betrayed the blood of God.”

How shall a man be just with God? How shall the sinner be made righteous? It is only through Christ that we can have true repentance and be brought into harmony with God.

Nehemiah Rodgers is a young evangelist for Christ. He enjoys the outdoors and loves to play instruments such as the organ and trumpet. Like Nehemiah in the Bible his desire is to be a “repairer of the breach” by helping others learn more about the Word.

## The Missionary Story

### Evangelism in Humble Rounds of Work

As you may already know the way has been open where we minister to people as we sell. One day while we were at a market there was someone who noticed *The Forgotten Commandment and the Mark of the Beast Crisis* book on our table. The couple at the market asked what church we went to and I told them. I told him that the forgotten commandment starts with the word remember. I like to say this to those who see the *Forgotten Commandment* book. The person who was interested in the *Forgotten Commandment* book acknowledged that the seventh day, Saturday, is the Sabbath and that he had forgotten it. It was related that he grew up knowing the Sabbath, but praise God that he picked up the book to remember it again!

On another day as we were working on a house that was affected by water damage, we spoke with the daughter of the mother whose house we were working on. We started talking about health and how God is redemptive and takes away disease. She decided to come to our cooking class to learn about healthy cooking. It was a blessed class, we showed people how to make macaroni, collard greens, tofu turkey loaf, and also we had sweet potato pie that was sweetened with maple syrup and honey that we had already prepared. Since she was allergic to cashews we made the cheese for the macaroni noodles without cashews. The cooking class turned out great and it was a blessing that people could eat the traditional foods a healthy plant-based way.

It is amazing to see how even in humble work we can be witnesses for God. While we were working on the house, the grandson of the lady whose house we were working on recognized my brother Elijah for giving

him *The Forgotten Commandment and the Mark of the Beast Crisis* book some time ago. This book went to many people and the Lord is still using these books in a mighty way!

The newly started AAGE (Adventist Association of Global Evangelism) has also been a blessing. One of the initiatives of the AAGE is to give the message of worship God or Babylon, the worship of God involving obedience and the worship of Babylon as disobedience to God's commandments. We put out yard signs in various places with this message with our website [PathwayToPeace.net](http://PathwayToPeace.net) at the bottom of the sign so they could get Bible studies on this topic. Over 1,600 people went to the page for the Bible studies as a result of this initiative. This initiative is going to move forward with the message on t-shirts.

The newest AAGE initiative is to encourage people to get involved in medical missionary training so they would be equipped to do the medical missionary work. The AAGE Network has developed a platform where ministries and individuals can connect to share resources, give encouragement, and to involve individuals more in the ministry work. It is exciting to see the activity of individuals in the AAGE who are excited in doing the Lord's work!

If you are not a part of the AAGE, please join. To join, go to [AAGEnetwork.org](http://AAGEnetwork.org). We will be glad to see you there! The AAGE is continually advancing through the power of the Holy Spirit to help spread the everlasting gospel of Jesus Christ.

The AAGE is active in doing the medical missionary work as the right arm of the Everlasting Gospel. The medical missionary initiative is to train people to become workers in true sanitariums (health centers) that are in accordance with the blueprint because there is a need for workers who are equipped with the knowledge of the true medical missionary work.

We encourage doctors and nurses to receive medical missionary training so they can work for God in true health centers instead of the broken medical system. The workers need to know how the body works and to give various treatments that are needed in every crisis. Stay alert, we will have more testimonies of what God has done to open up ways for the establishment of blueprint sanitariums where the sick can be treated and when they are healed, using God's simple means of healing, God is glorified and the way is opened to share truths of God's word. Reader, be a part of God's work. Go work in His vineyard.

## Share The Wonderful Truth With Others

### What happens After Death?

Funerals can be very confusing because there are different doctrines taught on what happens to a dead person. The state of the dead is one of the most misunderstood subjects in our world today. For many people death invokes fear, misery, mystery, and hopelessness. For others they believe their dead loved ones are not really dead but are living immortal lives in another place as disembodied "spirits". What does the Bible teach about death? Are the dead really dead? Does a person go directly to Heaven or Hell after death? What happens when a person dies?

Satan is trying to confuse many people on the subject of death in order to deceive them. However, if you prayerfully study what the Bible says about death, you will not be deceived. By the end of this short study, you will have a clear Biblical understanding on the subject of death and be comforted with the "Truth."

### I Will Come Again

The first coming of Jesus Christ as our Savior was prophesied in the Bible from the place of His birth to the time of His anointing and ministry on earth. Over 125 prophecies in the Old Testament were accurately fulfilled in the New Testament.

What was the purpose of the first coming of Christ? Zechariah 9:9 "Rejoice greatly, O daughter of Zion; shout, O daughter of Jerusalem; behold, thy King cometh unto thee: he is just, and having salvation; lowly, and riding upon an ass, and upon a colt the foal of an ass."

Matthew 1:21-23 "And she shall bring forth a son, and thou shalt call his name JESUS; for he shall save his people from their sins. Now all this was done, that it might be fulfilled which was spoken of the Lord by the prophet, saying, Behold, a virgin shall be with child, and shall bring forth a son, and they shall call his name Emmanuel, which being interpreted is, God with us. Jesus came to save us from our sins and give us the gift of salvation. Sin brought pain, suffering, and death upon the world. For all have sinned, and come short of the glory of God." Romans 3:23. (Read Romans 5:12)

According to 1 John 3:4, "Whosoever committeth sin transgresseth also the law; for sin is the transgression of the law." (God's Law is found in Exodus 20:3-17) Because we sinned we were doomed to eternal death. "For the wages of sin is death; but the gift of God is

### God's Law of Love

Laws are the structure of all governments, and without them there would be total chaos. A government would not be able to stand without just laws. God has a government. "But the LORD is the true God; he is the living God, and an everlasting king." - Jeremiah 10:10. He rules over all. In His government He has a law. His law is known as the Ten Commandments. (Read Deuteronomy 10:4) In this law He shows us how to obey and love God, and love others. In this short study you will learn about the law of God. What is the law of God? What are the main purposes of the law? Are we to keep God's law? Let's see what the Bible says.

First, where are the Ten Commandments found in the Bible? They are found in Exodus 20:3-17. The first four show us how to love God: (1) "Thou shalt have no other gods before me." (2) "Thou shalt not make unto thee any graven images, or any likeness of any thing that is in Heaven above, or that is in the earth beneath, or that is in the water under the earth; Thou shalt not bow down thyself to them, nor serve them; for I the LORD thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me. And showing mercy unto thousands of them that love me, and keep my commandments." (3) "Thou shalt not take the name of the LORD thy God in vain;

### The Sabbath of the Lord

The Bible teaches that we are to keep God's moral law, the Ten Commandments. Jesus Himself says in Matthew 5:17, "Think not that I am come to destroy the law, or the prophets; I am not come to destroy, but to fulfil." In addition, Romans 7:1 says, "Do we then make void the law through faith? God forbid; yea, we establish the law." Love is the foundation of God's law. Romans 13:10 says, "For this, Thou shalt not commit adultery; Thou shalt not kill; Thou shalt not steal; Thou shalt not bear false witness. Thou shalt not covet; and if there be any other commandment, it is briefly comprehended in this saying, namely, Thou shalt love thy neighbour as thyself. Love worketh no ill to his neighbour; therefore love is the fulfilling of the law."

The Bible has the answer.

Did you know that the Bible gives us a detailed account of years beginning with Creation? With this information we can calculate the real age of the earth.

Obviously, God wants us to know where we are in time! God declares in Isaiah 46:10, "Remember the former things of old: for I am God, and there is none else; I am God, and there is none like me. 10 Declaring the end from the beginning, and from ancient times the things that are not yet done, saying, My counsel shall stand, and I will do all my pleasure."
